

## ANNUAL REPORT 2019-20

**Members of the management committee, parents and children,**

Greetings!

I feel proud to present the annual report for the year 2019-20.

Thanks for the overwhelming appreciation which we have received throughout the year from our parents and students who have shown their keen interest in the activities of the school and have given their open heart support to the school to run it smoothly. We have tried to give quality education to children with great enthusiasm to get the maximum output from the children to make them realize their capacities so that after completing their studies from here, they can independently take decisions by choosing the field of their choice.

As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of different classes so that parents and teachers can come closer to understand the teaching way and can help the teachers to shape the young talent.

With the sole purpose of updating teachers' knowledge almost, all the teachers attended a series of workshops. It was an attempt that inclusively engulfed various significant Lifeskills by CBSE's Stress Management Programme, Gender Sensitivity Programme etc.

The school has been set up in the backward area of Chilkana which is surrounded by approximately fifty villages and a town. We have tried to make the parents realize that in the present scenario education is a must. After students are admitted to the school, we have found that they are very enthusiastic, and have good grasping power and tremendous capabilities. With the hard work and support of school staff after assessments, it was found that they performed well in academics. This year students are appearing for secondary examinations and we hope that they will clear the exams with flying colours. School is progressing ahead with the sole aim of giving quality education to the children.

Apart from progressing in academic area ,the school also laid stress on co-curricular activities every month like card making competition on Mothers'Day, Earth Day Celebration by making Poster appealing the masses to plant more trees, Rakhi making competition on Raksha Bandhan,Janmashtami Celebration, Christmas Celebration, Essay Writing Competition on Hindi Diwas, Rangoli Making on Diwali, Kite Flying competition on Basant Panchmi, Children Day Celebration by organizing various races.

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was created through Inter-school Competitions such as quizzes, Best out of the waste programme , Creative writing, Drawing, Essay Writing Competitions, in which students took part and brought laurels to the school.

1. Second Position in' Best out of Waste' held at Alpine Public School, Saharanpur
2. Second position in Science Quiz held at Maxfort world School,Saharanpur
3. First position in the Essay Writing Competition Under the HUB of Learning
4. Second Position in Girls Kho kho held at Maxfort World School.

A career Orientation class for the classes IX and X was held in the school by Manufacturing Head of renowned automobile company M.G. Motors Mr.Ravi Mittal who shared his experiences with the children.

Under Fit India Programme Interschool Sports Events like Kabaddi, Shotput, 100m race, 200m race, Long Jump for boys and girls were organized in the month of November in the school campus. Winners were awarded by M.L.A. Mr. Sanjaya Garg, Principal of Maples Academy and thana In charge of Chilkana .

A three days Scout and Guide Camp was organized in the school under the guidance of Commissioner of Hindustan Scouts and Guide, in which students learned to survive in odd conditions by making temporary bridges, tents, etc. Children were awarded certificates and medals for their excellent work and participation.

Children showed their love for their nation by reciting poems, giving speeches, skits and dramas. They know that nation is above feelings, religions and mankind. They expressed their views that they can sacrifice their lives for the nation if the need arises and will always respect their tri-colour flag.

School is progressing ahead with a futuristic approach that is up-gradation of the school. In the year 2019-20 school has placed the foundation stone of six rooms for senior secondary classes. It is expected that in the academic session 2020-21, students of Chilkana and surrounding areas will be benefitted.

School bade farewell to class X students with good wishes for a bright and successful future. Director of the school Mr. Keshwa Nand Tiwari blessed the students for their bright future.

In the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to travel this long journey in shorter time. Teachers and the entire staff also deserve applause for their tireless efforts in implementing the task of imparting quality education. I also extend my gratitude to the parents who have shown faith in us by giving us the opportunity to transform their children into truly useful citizens of the future world.

Thank you very much !!!
